THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND IN THE DEPARTMENTS OF OCEAN DEVELOPMENT ATOMIC ENERGY, SPACE AND ELECTRONICS (SHRI SHIVRAJ PATIL): (a) While some of the pesticides such as B.H.C., D.D.T., Lindane are banned or highly restricted for use in some of the developed countries, their use in some other developed countries is permitted.

(b) A study entitled 'Control of Pest Infestation' Policies for pesticides in India has been taken up by National Institute of Science and Technology Development Studies (NISTADS). NISTADS has yet to bring out a report on this study.

(c) Two articles have been published (i) Structure and Growth of Pesticides Industry in India; (ii) Pesticides Hazards; a growing Global Problem. The second article refers to information data on Production and Import of Pesticides in India published in Journals like 'Pesticides Information' and 'Commerce'; indicating the use in India during 1980-81 of 30,000 to 40,000 tonnes of pesticides. some of which are banned or highly restricted in some developed countries while their use is permitted in others (as per enclosure) [*See* Appendix CXXXV, Annexure No. 58.] The import of such pesticides has come down significantly and their import is quite small presently.

(d) CSIR has developed technologies for 13 modern, alternative pesticides, out of which 8 are in production and technologies for five others has been released.

Construction of Shillong Stadium

2648. SHRI JERLIE E. TARAING: Will the PRIME MINISTER be pleased to state:

(a) the total estimated amount approved by the Planning Commission for the Construction of the Shillong Stadium during the Sixth Five Year Plan period;

(b) what is the estimated amount proposed for the completion of the above Stadium during the Seventh Five Year Plan period; and

(c) what was the amount allotted so far to the State Government for the same?

THE MINISTER OF STATE IN THE DEPARTMENT OF YOUTH AFFAIRS AND SPORTS (SHRI R. K. JAICHANDRA SINGH): (a) to (c) There exists for 1985-86, a provision of Rs. 247 lakhs, Plan and Non-Plan, for grant of financial assistance to State Sports Councils etc., for construction of stadia apart from certain other sports activities. The provision is meant for all the States and Union Territories and State-wise allocations are not made. According to the proposal received from the Government of Meghalaya, in 1984-85, the total estimated cost of the Shillong stadium project is about Rs. 14.24 crore. In accordance with the then existing pattern of financial assistance, a sum of Rs. 5 lakhs was sanctioned as Ctntral grant-in-aid for the construction of the stadium. Bulk of the funds required for constructing the Shillong stadium will now have to be found by the State Government.

Map showing archaeological sites of India

2649. SHRI NEPALDEV BHATTACHARYA: Will the PRIME MINISTER be pleased to state:

(a) whether Government are aware that the Bhulabhai Desai Memorial Trust brings out a map showing the archaeological sites of India;

(b) whether the Chair person of the Festival of India sent message to the BDMT for about 10,000 copies of the said map;

(c) whether the Chair person asked the National Institute of Design to make 10,000 copies of the said map after some alteration without cancelling her earlier message to BDMT:

(d) whether each copy of the BDMT costs only Rs. 5 whereas the each copy of the NID costs the Festival of India @ Rs. 50; and

(e) if so, the reasons therefor and Government's action in the matter?
